Stroll for Liver - "Promenade nocturne pour le foie"

Saturday June 22 | 7 pm
Canal Boardwalk

"Promenade Nocturne pour le foie uncovering the shadows of liver disease" – a special night walk just before dusk. The objective is to raise much-needed funds and awareness of the silence of liver disease and how we are shedding light on it in Montreal.

The walk will be a magical event, lit by handmade recycled lanterns, held by participants walking along the path. A few stops will be made along the way for "memorial moments" to hear a story about someone suffering with liver disease or someone who has lost the battle to liver disease.
