

North Sector Electronic Billboard Not Functioning

As you may have noticed, the electronic billboard located on Chemin Sainte-Marie in the North sector has been defective for some time. We are working to correct the situation as soon as possible, but in the meantime, we invite you to regularly check our [website](#) and [social media](#) to be aware of all news and announcements.

Ash Tree Inventory

Starting July 29, inspectors will conduct an inventory of all ash trees located on the City's territory in order to assess the emerald ash borer situation and put in place infestation management measures.

Inspectors have the mandate to list all ash trees, including those on private property. It is therefore possible that they must go on your land if one or more ash trees are there. The inspectors will identify themselves to the affected owners before carrying out the necessary verifications.

The results of the inventory will be presented in the fall.

2019-2020 Parking Stickers

Sainte-Anne-de-Bellevue residents will be able to get their FREE parking sticker from August 5th, 2019.

They will be available at City Hall (or the library when City Hall is closed) with 2 proofs of residence, including your driver's license, and your vehicle's registration certificate.

Note that the 2018-2019 sticker is valid until August 31, 2019, so you have until that date to get the one for the following year and avoid any fines.
