

SAINTE-ANNE-DE-BELLEVUE MUNICIPAL POOL

COVID-19: Special Measures for the 2020 Summer

The municipal pool will be open as of June 27th, 2020. Our goal is to offer residents an enjoyable and safe swim experience. In light of the current situation, several sanitary measures will have to be followed when using the facilities to ensure the safety of all participants and employees.

We are counting on everyone's collaboration to respect these measures. Over the next few weeks, the City will monitor the situation at the pool and the behavior of users. In the event that the instructions are not respected by the majority of users, the City reserves the right to close the pool or modify some measures.

Access to the facilities

The reservation of a time slot is mandatory prior to your arrival on the pool premises. Reservation is made 24 hours in advance by calling 514-457-1625 or sending an email to piscine-sab@sadb.qc.ca from 8 am to 11 am the day before you are planning on using the pool. To satisfy as many requests as possible, participants must register for only one time slot per day.

The municipal pool and wading pool is exclusively for residents of Sainte-Anne-de-Bellevue. Proof of residence is required.

Price to use the facilities (pool, wading pool, deck):

- Free for residents (with proof of residence)

Carte Loisirs:

- *Carte Loisirs* will not be sold this summer.
- Current *Carte Loisirs* can be used as a proof of residence.
- If you have a *Carte Loisirs* that is valid for this summer, you will not lose any value. You will receive an extra year of validity on your next *Carte Loisirs*.

Participants may arrive at the pool a maximum of 10 minutes before their reserved time slot. They will be asked to wait outside the main entrance of the pool until an employee opens the door and comes to see them. The employee will then register participants and **ask questions about your medical condition before allowing access.**

Drop-in: Reservations are not required for the time slot from 6:30 pm to 7:45 pm. People will be admitted on a first-come, first-admitted basis. If a resident presents himself/herself at the start of another time slot and has not made a reservation, the person will be permitted to enter only if space permits. Once the time slot has started, and the front door of the pool has been closed, no other participants will be admitted.

COVID-19: Special Measures for the 2020 Summer

Available facilities at the pool

- Showers, lockers and changing area will be off limits.
- The bathroom will be available for use.
- Chairs and deck chairs are removed from the pool deck. However, we allow clients to bring their own folding chairs.
- The area around the pool will be one-way. Arrows and signage will indicate the flow of traffic.
- There is a separate exit to use when you leave the premises.

IMPORTANT - Due to the current situation, there will be no swimming lessons, Aquafit, or swimming team at the Sainte-Anne-de-Bellevue pool this year.

Measures to follow

Before your visit

- Make your reservation 24 hours in advance by calling **514-457-1625** or sending an email to piscine@sadb.gc.ca

To plan for your visit

- Bring your own swimming equipment. No sharing of equipment is permitted, unless it is with family members (life jackets can be loaned out if required).
- Bring your folding chairs, if desired.
- Arrive with your bathing suit on (lockers and changing area are inaccessible).
- Please bring a large bag to store your personal belongings.
- Take a soapy shower before arriving at the pool (the showers at the pool are inaccessible).

At the pool

- Disinfecting hands is mandatory before entering the pool premises.
- Wait until the pool employee gives you access to the site. You will also have to answer to questions about your health condition.
- Maintain 2 meters of physical distancing.
- Follow the traffic direction around the pool premises.
- Respect the duration of the time slot that you have reserved.
- Leave the pool by the exit that will be identified on the premises.

Please note that current rules and protocols may be modified several times throughout the summer as we continue to adapt to the changing government directives. You may ask our employees about the changes when you make your reservation or on the premises.
